

Our footpaths in and around Steeple Bumpstead

This sketch map depicts the rights of way in and around our village of Steeple Bumpstead. The layout of the map is approximate and provides features and land marks to assist in path finding. Walkers are strongly recommended to purchase the Ordnance Survey Pathfinder maps numbered 1028 and 1051 (scale 1:25,000) for accurate mapping.

Right of way :-

Circular Walk :-

*** Please remember -**
Please keep to paths and do not stray on to private land. Farmland IS private land! Keep dogs under close control. Close gates and take litter home.

Please keep close to the fence when using the path in this private garden

Please keep to the path; follow the markers through this private garden

Please note: if the diversion application is approved, this path will be diverted as marked.

Map version 1.1

See over for explanation of symbols and for legend.
